

CLAIMS

The embodiments of the invention in which an exclusive property or
privilege is claimed are defined as follows:

1. A pair of pants, comprising:

(a) a seat portion, a waist portion, and two leg portions joined together in a
conventional manner to form said pants; and

(b) at least one zipper disposed on a rear of said pants between a crotch
area and a top of said pants, said at least one zipper being partially or completely
unzippable to reveal a selected portion of a wearer of said pants.

2. A pair of pants, as defined in Claim 1, wherein: said at least one zipper
comprises two zippers.

3. A pair of pants, as defined in Claim 1, wherein: said at least one zipper
is unzippable from either distal end or both distal ends of said at least one
zipper.

4. A pair of pants, as defined in Claim 1, wherein: said at least one zipper
is unzippable from a center of said at least one zipper.

5. A pair of pants, as defined in Claim 1, further comprising: a loop
joining upper and lower halves of said at least one zipper such that said halves
are held together a selected distance when said at least one zipper is partially or
completely unzipped.

6. A pair of pants, as defined in Claim 2, wherein: said two zippers are
unzippable from distal ends of said two zippers.

7. A pair of pants, as defined in Claim 2, wherein: said two zippers are unzippable from proximal ends of said two zippers.

5 8. A pair of pants, as defined in Claim 6, wherein: proximal ends of said two zippers meet near a central seam of said pants.

9. A pair of pants, as defined in Claim 7, wherein: said proximal ends of said two zippers meet near a central seam of said pants.

10 10. A pair of pants, as defined in Claim 1, wherein: said at least one zipper is generally horizontal.

11. A pair of pants, as defined in Claim 2, wherein: said two zippers lie generally on a generally horizontal line.
